

## VARA U14 RULES

The U14 age level provides non-scored competition for racers born in 2005 and 2006.

**Children's Development Committee-** the CDC oversees rules and policies of U14 and younger racing in VT. This group works with the VARA Executive Director and Youth Coordinator to create schedules, policies, qualifications, rules and state guidelines for the U14 and younger age groups. Committee members include; David Edry (Chair), 3 Council chairs ([David Edry/SVC](#), [Adam Julius/NVC](#), [Lori McClallen/MVC](#)) Sue Kramer/SVC, Taylor Mikell/NVC and Justin Lillie/MVC. This committee works closely with the VARA Youth Coordinator.

### Children's Development Sub- Committee

The Children's Development Sub Committee consists of the 3 Council Chairs from each of the three Councils and the CDC Chair – David Edry (North-Adam Julius, Mid-Lori McClallen, and South-David Edry,). The committee will work with the Executive Director and VARA Youth Coordinator regarding VARA U14 through U10 issues that arise at state championships and state governed events.

1. VARA is the governing body of U14 racing in Vermont.
2. **VARA** will delegate to the three state councils (North, Mid, and South), the authority to administer their respective rules leading up to the Shootout and State Championship with the exception of race starts, scoring and gate recommendations.

**RACE STARTS:** The recommendation is four to six races within each council.

**SCORING:** To determine council seeding from councils to the U14 State Championships, scoring methods can be found on the specific council rules. [MVC](#), [SVC](#), [NVC](#) (hyperlinks)

*Each council will need to have the race secretary for their first council race hand enter the rosters into their timing system, so the correct info will be loaded for the scoring spreadsheet (US Ski & Snowboard number, Correct spelling, YOB.) Councils may then take that info back into their scoring spreadsheets. This will make lists for states easier to submit to VARA. Council lists for states require the following info Eastern U.S. Ski and Snowboard #, Last Name, First Name, Club, YOB to be provided by the council chair to VARA. Lists without the proper info will not be accepted. When race organizers upload results to US Ski & Snowboard, with incorrect spelling or US Ski & Snowboard #'s the race will get rejected when the name or U.S. Ski and Snowboard number does not match.*

3. VARA will schedule **open** races, state super-G events, U14 Shootout and the U14 State Championships.
4. Issues involving U14 VARA sanctioned events will be resolved by the VARA CDC.
5. Councils must also follow all US Ski & Snowboard and VARA procedures for running a fair and legal race.
6. A \$35 (plus applicable online service fees) maximum entry fee for slalom (SL) and giant slalom (GS) events and \$40 (plus applicable online service fees) for Super-G (SG) is recommended for council qualifier races and camps.
7. To compete in VARA races, there are two membership requirements that must be met:

- a) You must have a current US Ski & Snowboard Competitors Membership. b) In order to be considered in any VARA qualifying or selection process, you must be a current member of VARA. It is the parent/coach responsibility to insure competitors are current VARA members.
8. Qualifying points will not be retroactive for late renewals.
  9. VARA membership will be verified from the VARA website. Cards may be printed off the website.
  10. Coaches **must** be VARA and US Ski & Snowboard members to have on hill privileges.
  11. U14 Council races and State Championships must be US Ski & Snowboard sanctioned events. Sanctioned races must be held on homologated trails.
  12. Host mountain is required to present awards 5-30 minutes after the last competitor.

**Out of Council/Out of State** – Councils may accept out of council and/or out of state competitors into their council races as per their council rules. Refer to the specific council for clarification. [MVC](#), [SVC](#), [NVC](#) (hyperlinks)

**Independent Racer**- VARA councils may accept independent VARA member racers as long as they adhere to the council policy on Independent racers. Refer to the specific council for clarification. [MVC](#), [SVC](#), [NVC](#) (hyperlinks)

### **State and Council Quotas and Gender Splits**

Council quotas for U14 VARA States will be based on each council's percentage of active U14 competitors. This percentage will determine the allocation of quota spots per council at states. Determination of each council's participants will be made after the second weekend of February. Each council will allocate its gender distribution of quota spots based on the percentages of male and female competitors within council.

### **Parent/Spectator Clause**

Any issues parents or spectators may have involving VARA rules, The Race Organizing Committee (ROC), Alpine Officials, the Jury, the race site or US Ski & Snowboard while at a sanctioned council event, VARA States or Shootout must be handled by the responsible coach before being brought to the Race Organizer, Alpine Officials/Jury, registration volunteers or VARA. The athlete's coach must represent the competitor regarding the issue not his/her parent.

### **Coaching Tickets**

General recommendation but NOT less than the following:

1-7 kids=2 coach tickets, 8-11 kids=3 coach tickets, 12-15=4 coach tickets, 16-19 kids=5 coach tickets, 20+ kids=6 tickets

### **Petitioning Athletes Skiing DOWN**

Except for approved petitioning athletes, all racers will follow established US Ski & Snowboard age classes. For an athlete to be considered for skiing **down** an age class at the council level The Program Director must submit a request to the Council Chair. If approved by their council the Council Chair will submit the request to the VARA Children's Chairperson and VARA Executive Director on or before December 15, 2018 for a CDC vote. There are three areas as guidelines in considering a ski down athlete: Physical Maturation, Mental Maturity and Physical Condition. The VARA CDC will review the request and respond to the council chair no later than Dec. 23, 2018.

If an athlete is approved they will follow council and VARA rules for that age class. Petitioning Athlete (PA) may qualify for states in the age class in which they are competing. The following conditions apply:

1. PA will be considered and treated as any other participant in that age class.
2. PA may ski in the state championships but will not advance to a US Ski & Snowboard post season event.
3. PA will be seeded at states according to their council placement.
4. PA will be presented with award if so earned.
5. PA will be purged from results for selections to post season US Ski & Snowboard Championship events.
6. PA will compete in only one VT state championship series. The field size for states will not exceed 5 athletes to accommodate council PA requests.
7. PA will not displace an athlete to the Shootout.
8. PA will not displace a U14 to VARA States.
9. PA "ski up" is NOT eligible for U14 Eastern Championships.

#### **Athlete Injury Clause for U14 States**

There will be no spots given to sick or injured athletes to move directly to States. Injured athletes petitioning to participate in VARA U14 States must go through their councils to request an additional spot to the U14 VARA Shootout.
